

International Consignment

Fine Jewelry / Rarities / Coins / More

With international consignment, we can help you get the most for your valuables by exposing them to the world. From start to finish, we take care of the whole selling process to ensure you get the most value. Once your item sells, we mail you a check!

How It Works

Step 1 ▶ Drop Off Your Item

Schedule a time to drop off your item(s), with a combined estimated value of \$250 or more, by calling (843) 352-7445. Once your item(s) are inventoried, they will be thoroughly researched, professionally photographed and listed for auction.

Step 2 ▶ Watch the Auction

Once your items are listed, we will send a link to your email so you can watch the action unfold.

Step 3 ▶ Receive Your Check

After the auction ends, we will collect payment and professionally ship your items to the highest bidder. A check along with a detailed sales report will be sent out to you within 14 business days of auction end. If you have any questions feel free to contact us.

Our Commission

35% of the first \$500 and 15% of the remaining amount per item.

For example:

If your item sells for \$500, you will receive \$325

If your item sells for \$1,000, you will receive \$750

If your item sells for \$3,000, you will receive \$ 2,450

* eBay/PayPal Fees (up to 13%) may also apply. Final payout may slightly vary depending on the item(s) being auctioned. There is a \$25 per item return fee in the rare event your item doesn't sell.
